Introduction

ElliTe Studios College works with children, young people and vulnerable adults, delivering further education for 16+ years, and dance training and short courses for 2-16 years. Classes aim to be educational and fun. This can only be achieved in an atmosphere of trust and respect.

ElliTe Studios College recognises that all children, young people and vulnerable adults involved in our education work have a right to protection. ElliTe Studios College has adopted the following Child Protection and Safeguarding Policy to ensure that the college is doing everything in their power to ensure the safety and protection of all those participating in its education work. ElliTe Studios College also recognises its responsibilities to protect staff, students and volunteers against unfounded allegations of abuse.

For the purpose of this policy a child is defined as a person under 18 years, but the policy remains in place for all young people over 18 years who are in full time further education at ElliTe Studios College.

The term 'vulnerable adult' refers to a person aged 18 years or over who is, or may be in need of, community care or health care services by reasons of mental or other disability or illness and who may be unable to take care of themselves or protect themselves from harm or from being exploited.

Policy Statement

ElliTe Studios College has a duty to safeguard from harm all children, young people and vulnerable adults involved in its education and outreach work. All children and young people have the right to protection. The college understands that some children and vulnerable adults, including those with specific learning differences and disabilities, may be particularly vulnerable to abuse. ElliTe Studios College accepts the responsibility to take reasonable and appropriate steps to ensure the safety and protection of these groups through adherence to these safeguarding guidelines.

ElliTe Studios College's Child Protection and Safeguarding policy also includes preventing students and staff from being drawn into radicalisation or extremism and that any concerns should be referred to the DSL in the same way as all other safeguarding concerns.

ElliTe Studios College believes that:

- The welfare of the child is paramount
- All participants in our training and education work, without exception, have the right to be safe and be protected from abuse
- All adults have a responsibility to safeguard and protect children

Policy Aims

The aim of ElliTe Studios College's Child Protection & Safeguarding Policy is to promote good practice by:

- Establishing and maintaining an environment where children feel secure, are encouraged to talk and are listened to.
- Ensuring children know that there are adults in the college whom they can approach if they are worried or have concerns.
- Employing safer recruitment procedures when checking the suitability of all staff and volunteers who work with children.
- Ensure all staff and visitors working unaccompanied around the building have read, understood and signed the college's Code of Conduct and Safeguarding Procedures (Appendix A).

Procedures

- Allowing all staff to make informed and confident responses to specific safeguarding issues.
- Ensure all suspicions and allegations of abuse are taken seriously and are responded to swiftly and appropriately.
- Ensure all staff involved in the college's education work and employed by ElliTe Studios College will report any concerns to the appropriate Designated Safeguarding Lead.
- Ensure that confidential and accurate recording of all safeguarding concerns are maintained and securely stored.

Please note: ElliTe Studios College staff are not specifically trained or qualified to deal with situations of abuse or have the power to decide if abuse has occurred. However, appropriate action will be taken to notify the relevant authorities to any suspected or actual cases of abuse. The term 'staff' applies to full time staff, freelance tutors and artists, support staff, teaching assistants, guest choreographers, volunteers and all visitors working at ElliTe Studios College who are unaccompanied around the building.

ElliTe Studios College's Child Protection & Safeguarding Policy and Procedures will be widely promoted and are mandatory for everyone involved at and for the College. Failure to comply will be addressed immediately and may ultimately result in dismissal/exclusion from the organisation.

Guidance & Legal Framework

This policy has been written to comply with the following legislation, regulations and statutory guidance:

- DfE Keeping Children Safe in Education (September 2018)
- DfE Working Together to Safeguard Children (2018)

Associated Policies

This document should be read in conjunction with the following ElliTe Studios College's staff policies including:

- Code of Conduct and Safeguarding Procedures

- Health & Safety Policy
- Appropriate Contact in Dance Policy
- Equal Opportunities Policy

SAFEGUARDING ROLES AND RESPONSIBILITIES

Responsibilities of Staff

All members of the Senior Management Team undergo Child Protection and Safeguarding Training.

Additionally all permanent staff and regular freelance staff must ensure that they:

- Recognise their responsibilities and report any concerns about suspected poor practice or possible abuse
- Respond to concerns expressed by a child, young person or adult
- Work safely and effectively with children

ElliTe Studios College will support staff with training regarding safeguarding and make sure each member of staff is aware of the issues surrounding Child Protection. Refresher courses for Child Protection and Safeguarding will be arranged annually for relevant staff members including training in Prevent and in Appropriate Contact in Dance.

Responsibilities of the Senior Management Team

The Senior Management Team are responsible for reading and understanding the provisions of this policy and ensuring that the school complies with its responsibilities and duties under safeguarding legislation and that sufficient measures are in place.

Students Assisting in Workshops and Classes

Occasionally Senior students will assist in the delivery of workshops and classes both internally (working with under 16s) and externally in primary and secondary schools. When working in organisations externally, ElliTe Studios College will ensure that an adult from the external organisation is present throughout the workshop.

Role of the Designated Safeguarding Lead (DSL)

The role of the Designated Safeguarding Lead (DSL) at ElliTe Studios College is to take lead responsibility for safeguarding and child protection within the college. This involves providing advice and support to other staff and to be available for staff to discuss safeguarding concerns.

The Designated Safeguarding Lead and the Deputies will liaise with, and manage referrals to, relevant agencies such as MASH, LADO, Channel Panel (ref: Prevent Policy), Police and the Disclosure and Barring Service.

The DSL will keep the Principal informed of on-going safeguarding and child protection issues and enquiries. The DSL will provide advice and guidance for staff on safeguarding and child protection issues and ensure that the school's policies and procedures are up to date, reviewed annually and implemented.

Recruitment of Staff

ElliTe Studios College recognises that anyone may have the potential to abuse children in some way and that all reasonable steps must be taken to ensure unsuitable people are prevented from working with children.

ElliTe Studios College requires that:

- All staff including visiting tutors and occasional guest staff must have read, understood and agree to adhere to the college's Code of Conduct and Safeguarding Procedures, **(APPENDIX A and B)**, the Child Protection & Safeguarding Policy and produce their valid DBS.

SAFEGUARDING PROCEDURES

It is not the responsibility of anyone working at ElliTe Studios College, in a paid or unpaid capacity, to decide whether or not child abuse has taken place. However, there is a responsibility to act on any concerns through contact with the appropriate authorities.

ElliTe Studios College will assure all staff that it will fully support and protect anyone, who in good faith reports his or her concerns that anyone is, or may be, abusing a child. Staff will receive training to be alert to potential signs and indicators and take appropriate action where necessary.

Action if a Child Discloses Information

When a child or young person makes a disclosure to a member of staff, this will be recorded and given to the college's Designated Safeguarding Lead who will determine the appropriate course of action. The documentation will be stored securely and remain confidential. Any concerns about a child or young person will be recorded regardless of whether or not it will be ultimately passed on to the statutory authorities.

If a child or young person talks about possible abuse, the member of staff should:

- Respond in a calm manner.
- Remember that the child is likely to be frightened or anxious.
- Tell the child that he or she was right to tell someone and is not to blame.
- Listen carefully and take what the child says seriously. Allow the child to speak freely.
- Recognise the inherent difficulties interpreting what is said by young children.
- Ask no more questions than are necessary to ensure they are clear enough about what has happened to pass the child's concerns on. The child may also be asked to recount their story to social services or the police. However, the child must not be prevented from recalling events.
- Reassure the child but do not promise confidentiality. It should be explained that the child will have to speak to someone else who can help.
- Make a full written record of what has been said, heard and/or seen as soon as possible.
- Remember that young or disabled children may not be able to express themselves verbally. Communication differences may mean that it is hard for them to complain or be understood. Sometimes abuse of disabled children has gone unrecognised because behavioural clues were interpreted as part of their disability.
- Explain what will happen next and who has to be told.

Do find an appropriate early opportunity to explain that anything the child tells you may need to be shared with others.

Remember that if a child makes a disclosure to you:

- Do not panic
- Never make promises or agree to keep secrets for any student who is disclosing information
- Do not allow your shock or distaste to show
- Never probe for more information than is offered
- Do not ask the child to write down his / her account
- Never take photographs of marks / bruises
- Do not attempt to examine the child or remove any of their clothing
- Do not speculate or make assumptions about what has happened
- Do not make negative comments about the alleged abuser
- Never approach the alleged abuser

If a child makes a disclosure please ensure a detailed record of what has been said is made. Please see **Appendix C** for the ElliTe Studios College Incident Recording Form Template which identifies what information is required. If you are unable to use the template form then please follow the guidelines below on what information you must try to collect. **Remember that all records need to be factual, objective, dated and timed.**

- The young person's name, age and date of birth
- Please try to obtain the following from the young person: The parent / carer name, address, phone number and email address
- Whether or not the person making the report is expressing their own concerns or those of someone else
- The nature of the allegation. Include dates, times and other relevant information
- Make a clear distinction between what is fact, opinion or hearsay
- A description of any visible bruising or other injuries. Also any indirect signs, such as behavioural changes
- Details of witnesses to the incidents
- The young person's account, if it can be given, of what has happened and how any bruising or other injuries occurred if applicable. Record the information using the child's own words.
- Have the parents been contacted? If so what has been said?
- Has anyone else been consulted? If so record details
- If the young person was not the person who reported the incident, has he / she been spoken to? If so what was said?
- Has anyone been alleged to be the abuser? Record details

This form should then be forwarded as soon as possible (certainly within the next 24 hours) to the Designated Safeguarding Lead however if there is a risk of immediate harm to a child the police should be informed.

Please note: safeguarding and child protection referrals should be made to the local authority where the child ordinarily lives. In the first instance, ElliTe Studios College will contact the MASH team of the borough where ElliTe is located, currently Wakefield.

Action If You Suspect Abuse Has Taken Place

Any suspicion that a child has been abused by a member of staff should be reported immediately to the Designated Safeguarding Lead (DSL), who will inform the Principal.

Please see the diagram over the page for details on the course of action you should take should you suspect abuse has taken place or have suspicions of abuse. The flow chart indicates what steps are taken and in which order.

If the Designated Safeguarding Lead is the subject of the suspicion/allegation, the report must be made to the Principal of ElliTe Studios College who will refer the matter to the LADO Contact.

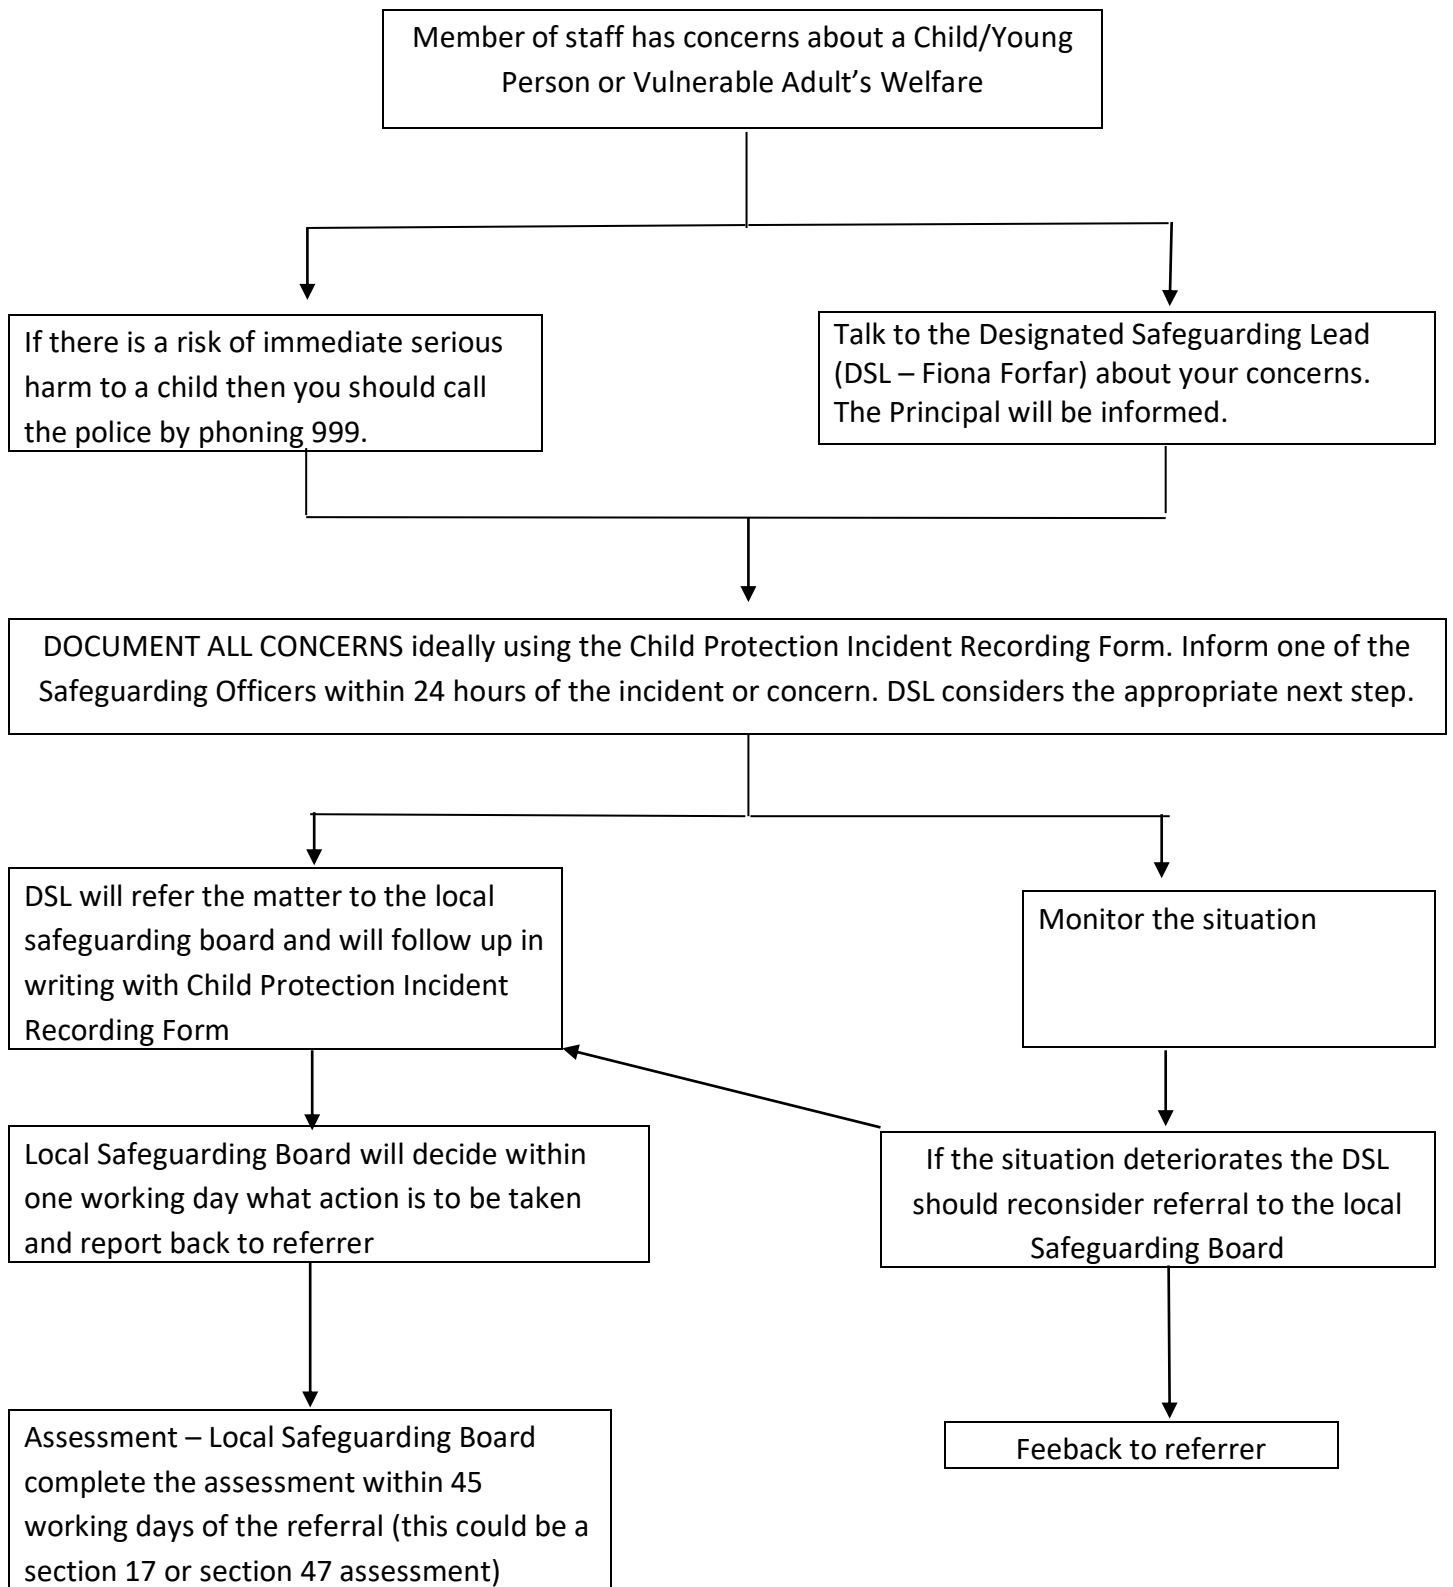

If the allegation is about the Principal, the DSL will take the matter to the Deputy Safeguarding Officers without informing the Principal.

Any suspicion that a child has been abused by someone not working at ElliTe Studios College, for example, a parent, carer, another child, an external agency or service provider, then please report your concerns to the DSL and complete the Incident Reporting Form.

The parents or carers of the child will be contacted as soon as possible following advice from the LADO.

Please note: If the allegation is about poor practice by the Designated Safeguarding Lead, or if the matter has been handled inadequately and concerns remain, it should be reported to the Principal who will decide how to deal with the allegation and whether or not to initiate disciplinary proceedings.

Appropriate Course of Action for Responding to Safeguarding Concerns

RESPONDING TO ALLEGATIONS OR SUSPICIONS

Whistleblowing in Order to Protect the Welfare of a Child

ElliTe Studios College is committed to the highest standards of openness, probity and accountability.

If you have concerns about the behaviour of a member of staff or other volunteer within ElliTe Studios College, then you must report your concerns to either the Designated Safeguarding Lead or one of the Safeguarding Officers.

All staff and volunteers have a legal duty to raise concerns where they feel individuals, or the school itself, is failing to safeguard and promote the welfare of children.

Internal Enquiries and Suspension

In the event that an allegation is made against a member of staff, student or volunteer, ElliTe Studios College's Designated Safeguarding Lead will act as the college's representative for the purposes of the allegation procedures and will immediately contact the Local Authority Designated Officer (LADO) before any investigation takes place. The LADO will advise on the appropriate course of action to ensure the safety of the child in question and any other child who may be at risk.

The Designated Safeguarding Lead will consult with the Principal of ElliTe Studios College. Together they will make an immediate decision about whether any member of staff accused of abuse should be temporarily suspended pending further police and social services inquiries and following the advice of the LADO.

This may be a difficult decision: particularly where there is insufficient evidence to uphold any action by the police. In such cases, ElliTe Studios College's Directors must reach a decision based upon the available information which could suggest that on a balance of probability, it is more likely than not that the allegation is true. The welfare of the child will remain of paramount importance throughout.

The individual who the allegation is against may be informed of the allegation, on the advice of the local safeguarding authority, and may be removed from contact with children and vulnerable adults in line with the appropriate disciplinary process (staff or student). Any internal disciplinary action arising from an investigation will be handled in accordance with the relevant disciplinary process (staff or student).

Independent of the findings of social services or police inquiries, the college will investigate all individual cases to determine the appropriate action to be taken.

Staff must understand their own vulnerability when working with children and therefore follow ElliTe Studios College's Code of Conduct.

Further information regarding disciplinary procedures can be found in the Staff or Student Handbook.

ElliTe Studios College is responsible for reporting to the Disclosure and Barring Service within 4-6 weeks of leaving a school, a person who is no longer deemed suitable to work with children.

Allegations of Previous Abuse

Allegations of abuse may be made some time after the event (e.g. by an adult who was abused as a child, or by a member of staff who is still currently working with children). Where such an allegation is made, ElliTe Studios College should follow the procedures as detailed above and report the matter to social services or the police. This is because other children may be at risk from this person.

Indicators of Abuse

Please refer to Appendix D for a list of definitions and indicators that abuse may be taking place.

We ask all staff to familiarise themselves with the indicators so that they may recognise the signs when abuse may be taking place.

REVIEW AND SUPPORT

Support to Deal with the Aftermath of Abuse

Consideration will be given to the support that children, parents and members of staff may require. Use of helplines, support groups and open meetings will maintain an open culture and help deal with the process. The British Association for Counselling Executive Directory can be found at <http://www.itsgoodtotalk.org.uk/> which has a search facility for counselling options.

Consideration will be given to what kind of support may be appropriate for the alleged perpetrator.

Supporting the Child / Vulnerable Adult

In cases where the child or vulnerable adult may have suffered significant harm, or there may be a criminal prosecution, advice will be sought from the local safeguarding board and the police, if appropriate, as to what support the child / vulnerable adult may need.

Supporting Staff

- Employers have a duty of care towards employees
- We will provide effective support to anyone facing an allegation
- We will provide the employee with a named contact if suspended
- Suspension would be carefully considered
- All allegations will be dealt with quickly and fairly to ensure protection of child and support person at centre of allegation

Supporting Parents and Carers

Parents or carers of children involved in disclosing information will be told of any allegation if they are not already aware. However, parents and carers must understand that in certain circumstances of alleged abuse, there may be a need to contact other agencies without first notifying the parent / carer. This decision will be made in consultation with the Local Authority Designated Officer. Parents / carers will be

kept informed about progress of the allegation and told the outcome of an investigation and any disciplinary process.

Confidentiality

Every effort should be made to ensure that confidentiality is maintained for all concerned. Information should be handled and disseminated on a need to know basis only, this includes:

- The Designated Safeguarding Lead
- The parents of the person who is alleged to have been abused
- The person making the allegation
- Social Services/Police
- The alleged abuser (and parents if the alleged abuser is a child)
- The person who the disclosure was made to

The college will seek local authority advice on who should approach the alleged abuser. The matter will not be dealt with by a lone staff member but in consultation with the appropriate people. Information will be stored in a secure place with limited access to designated people, in line with data protection laws. All information recorded needs to be accurate, regularly updated, relevant and secure.

Complaints Procedure

Any person wishing to complain about an issue dealt with by the ElliTe Studios College Child Protection and Safeguarding Policy should follow the college's Complaints Procedure.

Monitoring

The Senior Management Team will meet termly to:

- Review any activity relating to safeguarding and address any issues arising.
- Review and plan training undertaken or required by staff, volunteers and governors in relation to safeguarding.
- Review and update safeguarding policies and procedures.

The Senior Management Team will include:

- The Designated Safeguarding Lead
- The Deputy Safeguarding Leads
- The Principal
- The Vice-Principal (if not already the DSL)
- The Deputy Vice-Principal (if not already a Deputy Safeguarding Lead)

ElliTé Studios College works with children, young people and vulnerable adults delivering programmes of education and classes. Teachers and other adults working with children and young people have a duty to safeguard them from harm and promote their welfare. ElliTé Studios College recognises that all children, young people and vulnerable adults involved in the work of the college have a right to protection and feel safe at all times. For the purpose of this policy a child is defined as a person under 18 and includes young people over 18 who are in full time education.

We ask all staff, visiting tutors and guest choreographers to familiarise themselves with our Safeguarding Policy and comply with the clear guidelines as written below. Please note that failure to follow the college's safeguarding policy may result in formal disciplinary action and termination of employment.

Personal and Professional Conduct

Tutors and guest artists are expected to demonstrate consistently high standards of personal and professional conduct. All students, irrespective of culture, disability, gender, age, language, racial origin, religious belief and/or sexual identity should be treated fairly and with dignity and mutual respect. We expect all staff to demonstrate tolerance of other faiths and uphold the values of individual liberty. Always ensure that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.

- Adults should not swear or use sexist, sexual, racist, homophobic, transphobic or discriminatory language at, or in the presence of students.
- Staff should not demonstrate favouritism towards any one student or group of students.
- Adults should be polite and use respectful language in the presence of students. Do not use language to humiliate or undermine a student. Avoid the use of sarcasm or irony which can be misunderstood by a student. We expect students to be similarly respectful and polite to adults.
- Adults must take due care when accepting gifts and hospitality from students, parents/guardians or prospective students as acceptance of such gifts can be misunderstood and misinterpreted.
- All staff and visiting tutors must have proper and professional regard for the ethos, policies and practices of the school and maintain high standards in their own attendance, punctuality and personal appearance.
- Adults should dress appropriately and respectfully at all times whilst in school and in the studio.
- Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.

- Adults should exercise caution when speaking to, or working with a student alone in a room with the door closed. If an adult needs to, or work with a student in confidence, then it is advisable that this meeting / interaction takes place in an environment visible to others and preferably with the door open. If this is not possible then adults should ensure an appropriate distance is maintained between the adult and student and ideally, notify your line manager before the meeting takes place.
- Please be aware that an adult should never promise for a disclosure by a student to remain a secret but that all disclosures are immediately reported to the college’s Designated Safeguarding Lead.

Specific Safeguarding Issues

Female Genital Mutilation (FGM)

The statutory guidance 'Keeping Children Safe in Education' published in April 2014, asks schools to ensure that they raise awareness of Female Genital Mutilation (FGM). All staff must be aware of FGM.

FGM occurs mainly in Africa and to a lesser extent, in the Middle East and Asia. Although it is believed by many to be a religious issue, it is a cultural practice. There are no health benefits.

Communities particularly affected by FGM in the UK include girls from: Somalia, Kenya, Ethiopia, Sierra Leone, Sudan, Egypt, Nigeria, Eritrea, Yemen, Indonesia and Afghanistan. In the UK, FGM tends to occur in areas with larger populations of communities who practise FGM, such as first generation immigrants, refugees and asylum seekers. These areas include: London, Cardiff, Manchester, Sheffield, Northampton, Birmingham, Oxford, Crawley, Reading, Slough and Milton Keynes.

In England and Wales, 23,000 girls under 15 could be at risk of FGM. FGM has been a criminal offence since 1985 and since 2003, it has been an offence to take girls abroad for mutilation. The penalty for such a crime can be up to 14 years in prison.

Peer on Peer Abuse

Peer on peer abuse occurs when a young person is exploited, bullied and/or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18. 'Peer-on-peer' abuse can relate to various forms of abuse including bullying and cyberbullying; harmful sexual behaviour including sexting, sexual abuse, child sexual exploitation and gender based violence.

Radicalisation and Extremism

Protecting children from the risk of radicalisation should be seen as part of schools' and colleges' wider safeguarding duties, and is similar in nature to protecting children from other forms of harm and abuse.

During the process of radicalisation, it is possible to intervene to prevent vulnerable people being radicalised. Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. It can happen in many different ways and settings. Specific background factors may contribute to vulnerability, which are often, combined with specific influences such as family, friends or online, and with specific needs for which an extremist or terrorist group may appear to provide an answer. The internet and the use of social media in particular has become a major factor in the radicalisation of young people.

As with other safeguarding risks, staff should be alert to changes in children's behaviour, which could indicate that they may be in need of help or protection. Staff should use their judgement in identifying

children who might be at risk of radicalisation and act proportionately, which may include making a referral to the Channel programme.
