

# EASTER HOLIDAY

## Welcome To ElliTe Studios Easter Course!

We are so excited to be joining us on our Easter Club and Intensive course! On these courses, your child will learn fun routines and songs from the hit West End shows Cats, Matilda and Flashdance! We will complete our course with a West End worthy performance in our main studio on Thursday 14<sup>th</sup> April at 3pm so please join us to see what they've learnt!

Price is £90 for the 3 days per child, with an early Bird offer of £80 per child if you book before Monday 28<sup>th</sup> February 11.59pm. This is payable via bank transfer (details below) with reference Easter Course.

### Club or Intensive?

We will be able to assist you on which course would be best for your child and will have parts of the course where everyone comes together! If you are joining our course with little or no background experience and aim is to have fun and learn all about these West End shows, our Club course is perfect for you! Anyone under the age of 7 will be in this course. In the Club Course, we will be learning a minimum of 5 routines and 3 songs from the musicals, as well as learning all about the theatre, creating flyers and tickets for our final performance through arts and crafts, dance related games and more so lots of fun things to do!

Our Intensive Club is for more experienced dancers who are ready to push themselves over the 3 days, just like a professional in the West End! This will consist of numerous songs and routines from the 3 musicals, an Acro Sessions with our Acrotix teacher, Evy Simpson, and a Choreography competition!

We have times in our course where both clubs will come together and will be able to assist on the day if we think a different course is more suitable to your child. We want everyone to have

fun so if a more intense course to challenge, or a club course to take off the pressure is needed, then we can swap on the day or for certain routines!

We are also offering early drop off and late pick up which is available all 3 days at £7 an hour per child. If you wish to use this, please fill out the extra form below to book in!
